

## CURRICULUM VITAE

*Jack G. Dial, Ph.D.*

4201 Wingren Drive, Suite 112  
Irving, Texas 75062

972.541.0818 Office  
972.541.1759 Fax  
E-mail: [Jgdial@aol.com](mailto:Jgdial@aol.com)  
[www.jackdial.com](http://www.jackdial.com)

### **Research Emphasis:**

Behavioral relationships to higher cortical structure and function; neuropsychological, educational and vocational issues in brain damage and visual-impairment/blindness.

### **Teaching Emphasis:**

Neuropsychological assessment; rehabilitation and other treatment techniques of brain damage; neuropsychological aspects of learning and learning disabilities; neuropsychological and vocational evaluation of individuals with visual impairment and/or blindness; medical aspects of disability; neuroanatomy and pathology; vocational evaluation; and behavioral approaches for remediation and accommodation of brain dysfunction or learning disabilities.

### **Education:**

University of North Texas, Denton, Texas  
Doctor of Philosophy - Degree awarded August 1982  
Health Psychology/ Behavioral Medicine

As a health psychology and behavioral medicine major, I concentrated on neuropsychological evaluation and noninvasive rehabilitation techniques for treating brain damage/dysfunction.

Stephen F. Austin State University, Nacogdoches, Texas  
Master of Education - Degree awarded May 1974

As a guidance and counseling major, I was interested in group and individual counseling, testing and personality assessment.

Stephen F. Austin University, Nacogdoches, Texas  
Bachelor of Arts - Degree awarded May 1970

As a psychology major, I concentrated on personality development and human learning with additional majors in sociology and German.

### **Professional Development:**

Neurology, Neurosurgery and Psychiatry Grand Rounds at Southwestern Medical Center at Dallas on a continuous basis, as well as, numerous seminars and continuing education programs related to my professional interests - 1975 to present, examples below:

Cultural Perspectives: An Interactive Approach to Identifying and Addressing Biases. Presented by: Sarah Spain, Ph.D., ABPP; Jamylah Jackson, Ph.D., ABPP. Dallas, TX, February 5, 2014.

Neurodevelopmental Disabilities Across the Lifespan. Presented by: Doris A. Trauner, M.D., UCSD School of Medicine. The National Academy of Neuropsychology 2013 Conference. San Diego, CA, October 19, 2013.

Alzheimer's Disease: Biology and Emerging Therapeutics. Presented by: Jeffrey Cummings, M.D., Cleveland Clinic Lou Ruvo Center for Brain Health. The National Academy of Neuropsychology 2013 Conference. San Diego, CA, October 19, 2013.

Alzheimer's Disease: Trial Design, Clinical Assessment, and Biomarkers. Presented by: Jeffrey Cummings, M.D., Cleveland Clinic Lou Ruvo Center for Brain Health. The National Academy of Neuropsychology 2013 Conference. San Diego, CA, October 19, 2013.

Unfolding, Unfurling and Unraveling: Imaging of Brain Development in Adolescence, Early, and Middle Adulthood . Presented by: Monte S. Buchsbaum, M.D., University of California, San Diego. The National Academy of Neuropsychology 2013 Conference. San Diego, CA, October 18, 2013.

Board Complaints: A view from the Bar- Darrel Spinks, JD, Samuel Houston, JD, Texas Psychological Association, San Antonio, Texas, July 26<sup>th</sup>, 2013.

“What to Expect with the DSM-5” – Alina Suris, PhD, ABPP, Carol North MD., Dallas Psychological Association. Dallas, Texas, January 25, 2013.

New Developments in Ethics and the Law, TZK Seminars, Online course. December 12, 2012.

Confidentiality in the 21<sup>st</sup> Century – Kenda Dalrymple., Texas Psychological Association 2011 Annual Convention. San Antonio, Texas, November 17, 2011.

Psychopharmacology Update 2011 (W22) – Carol Grothues, Ph.D., Texas Psychological Association Annual Convention. San Antonio, Texas, November 17<sup>th</sup>, 2011.

How the Brain Forms New Habits: Why Willpower is not Enough – Brian E. King, Ph.D., The Institute for Brain Potential Seminar for Health Professionals. Austin, Texas, September 30, 2011.

The Ever-Changing Brain - John D. Preston, Psy.D., ABPP, The Institute for Brain Potential Seminar for Health Professionals. Dallas, Texas, November 8, 2010.

An Ounce of Prevention: Practicing Psychology Safely in Texas (Fall Ethics Workshop) – Michael H. Flynn, Ph.D., J.D. Dallas, Texas, October 1, 2010.

Ethics: A Musical Comedy – Gordon Leeman, Tim Anderson & Meredith Jeppson, Dancing Moose Productions. Dallas, Texas, December 4, 2009.

Introduction to the WAIS-IV and WMS-IV – Christina Sparks, Ph.D., Texas Psychological Association and Pearson. San Antonio, Texas, February 28, 2009.

Ethics for Psychologists in Medical Settings – William W. Deardorff, Ph.D., ABPP. Online course. January 6, 2009.

Human Participant Protections Education for Research Teams. National Institutes of Health (NIH) online course. October 10, 2007.

Bipolar: A New Slant on the Disorder – Jay Carter, Ph.D. - Cross Country University Seminar. Dallas, Texas, April 27, 2006.

Frontal Lobe Function and Traumatic Brain Injury – Mark J. Ashley, Sc.D., CCC-SLP, CCM – Centre for Neuro Skills Seminar. Dallas, Texas, April 26, 2006.

Introduction to Psychopharmacology: A Practical Clinician's Guide – John Preston, Psy.D., ABPP - ContinuingEdCourses.Net, Inc. January 2, 2006.

“Can't We Meet at Starbuck's?” – Pamela Harmell, Ph.D. ContinuingEdCourses.Net, Inc. December 10, 2005.

“I Hate When That Happens...” Law and Ethics for Psychologists – Pamela H. Harmell, Ph.D. – ContinuingEdCourses.Net, Inc. December 6, 2004.

Bipolar: A New Slant on the Disorder – Jay Carter, Ph.D. - Cross Country University Seminar. Irving, Texas, July 1, 2004.

Basic Science, Alzheimer's Disease, and Drugs of Abuse – Stephen M. Stahl, M.D., Ph.D. - Psychopharmacology Academy Symposium. Irving, Texas, October 25 & 26, 2003.

Antidepressants, Anxiolytics, and Mood Stabilizers - Stephen M. Stahl, M.D., Ph.D. - Psychopharmacology Academy Symposium. Irving, Texas, October 25 & 26, 2003.

Psychosis - Stephen M. Stahl, M.D., Ph.D. - Psychopharmacology Academy Symposium. Irving, Texas, October 25 & 26, 2003.

Advances in the Assessment of Malingering – Glenn Larrabee, Ph.D. – National Academy of Neuropsychology Seminar. Dallas, Texas, October 17, 2003.

Cognitive & Neuropsychological Assessment of the Visually Impaired – Lyn Mangiameli, Ph.D. – National Academy of Neuropsychology Seminar. Dallas, Texas, October 16, 2003.

Mood Congruent Biases – Kenneth Bonner, Ph.D. – Bonnie Lecture Series. University of North Texas, Dallas, Texas, February 10, 2003.

Getting Ready for HIPAA – Bob McPherson, Ph.D. – Dallas Psychological Association and Texas Psychological Association Seminar. Dallas, Texas, September 6, 2002.

Psychopharmacology: Clinical Skills and Business Aspects – Deanna F. Yates, Ph.D., M.S. PsyPharm - Dallas Psychological Association Seminar. Dallas, Texas, September 6, 2002.

Legal and Ethical Risks and Risk Management in Professional Psychological Practice Sequence 1: General Risk Management Strategies - Jeffrey N. Younggren, Ph.D., ABPP - American Psychological Association Insurance Trust Seminar, Dallas, Texas, September 22, 2001.

Psychopharmacology – Tim F. Branaman, Ph.D., FICPP – Dallas Psychological Association Seminar, Dallas, Texas, July 6, 2001.

Neuropsychology Across the Life Span: All the Clinician Needs to Know and More - Gregg D'Angelo, Ph.D., Larry Fisher, Ph.D., Alan Frol, Ph.D., Steven Gray, Ph.D. - Dallas Psychological Association Seminar, Dallas, Texas, March 10, 2000.

The Craving Brain: Chocolate, Addictions, Mood, and Appetite - Laura Pawlak, Ph.D., R.D. - Institute for Natural Resources Seminar, Dallas, Texas, November 19, 1999.

Memory: A Seminar for Health Professionals - Anthony Phillips, Ph.D. - Mind Matters Seminars, Dallas, Texas, November 12, 1999.

The Role of White Matter in Cognitive Processing - Carol Armstrong, Ph.D. - National Academy of Neuropsychology Annual Conference, Washington, D.C., November 6, 1998.

The Aging of the Brain, the Aging of the Mind - Bruce Quinn, M.D., Ph.D. - Mind Matters Seminar, Dallas, Texas, September 19, 1998.

Psychopharmacology Review: Drugs, Principles, and Applications - Morgan T. Sammons, Ph.D., San Francisco, California, August 13, 1998.

The Deep and Surface Structure of Memory: Import for Rehabilitation - Karl Pribram, MD, Ph.D. - American Psychological Association Annual Conference, Chicago, Illinois, August 17, 1997.

Functional Brain Imaging Studies of Learning and Memory - Leslie Ungerleider, Ph.D. - American Psychological Association Annual Conference, Chicago, Illinois, August 15, 1997.

Clinical Neuropsychology in the Decade of the Brain - Oscar Parsons, Ph.D. - American Psychological Association Annual Conference, Chicago, Illinois, August 17, 1997.

Increasing Accuracy in Disability Assessments- Henry Hanna, Ph.D. et al, Texas Rehabilitation Commission, Austin, Texas, April 26, 1997.

Diagnosing and Solving Learning Issues- Pat Lindamood, The Shelton School, Dallas, Texas, February 4, 1997.

Neuropsychological Assessment: Eclectic Approaches to Evaluation of Adults & Children- Dr. Donald Trahan, Texas Psychological Association Annual Conference, Dallas, Texas, November 14, 1996.

Neuropsychological Screening Techniques in Psychological Practices- Dr. C. Munro Cullum & Dr. Ronald G. Paulman, Texas Scottish Rite Children's Hospital, Dallas, Texas, March 22, 1996.

ADD- They Don't Outgrow It- Robert Resnick, University of North Texas, Denton, Texas, October 30, 1995.

New Advances in the Neuropsychological Assessment and Treatment of Cognitive Deficits in School-Aged Children- University of California, San Diego School of Medicine, San Diego, California, April 7 - 9, 1995.

Luria's Investigations- Dr. Anna Lisa Christensen, Baylor Rehabilitation Center, Dallas, February 6, 1984.

Neuropharmacological Treatment of Parkinson's Disease - Dr. Malcolm Stewart, PM & R, Grand Rounds, Southwestern Medical School of Dallas, September 3, 1982.

Treatable Neuromuscular Disease - Dr. Jay Cook, PM & R, Grand Rounds, Southwestern Medical School of Dallas, June 5, 1981; Dallas, Texas.

C.T. and P.E.T.T. Scanning - Allan Cormack, Ph.D., Southwestern Medical School of Dallas, Faculty Seminar in Radiology, Neurology and Neurosurgery, May 13, 1981.

Update Neuropsychology: Neuropsychological Aspects of Language and Cognition - K. Heilman, N. Gerschwind, San Francis, California, April 3-6, 1981.

Computers in Psychiatry - Dr. Ben Kleinmuntz, Psychiatry Grand Rounds, Southwestern Medical Center at Dallas, February 27, 1981.

Biosocial Model in Psychosomatic Medicine - Dr. F. Guggenheim, Psychiatry Grand Rounds: Southwestern Medical Center at Dallas, January 23, 1981.

The Emerging Field of Behavioral Medicine - Stephen Weiss, Psychiatry Grand Rounds: Southwestern Medical Center at Dallas, January 16, 1981.

Neuropsychological Assessment of Children and Adults - Dr. Thomas Boll, Ft. Worth Child Guidance Center, Ft. Worth, Texas, October 16-17, 1980.

Neuroanatomy and Pathology Brain Cuttings, - Joel Kirkpatrick, MD, Southwestern Medical Center at Dallas, frequent attendance from 1978-1983 and under the direction of Charles White, MD from 1985-1993.

The Luria Nebraska Neuropsychological Assessment Procedures - Charles Golden, Ph.D., Berkley, California, May 3 - 4, 1980.

Brain Mechanisms Underlying Conscious Experience, - Michael Gazzaniga, Ph.D., Southwestern Medical Center at Dallas, December 5, 1979.

The Human Mystery: The Self Conscious Mind and its Brain, Sir John Eccles, Southwestern Medical Center at Dallas, November 27, 1979.

Ecological and Behavioral Medicine Conference - Dallas, November 8 -9, 1979.

Neuropsychological Assessment Using Luria and Reitan Approaches, - Charles Golden, Ph.D., Ft. Worth Child Development Center, October 25-26, 1979.

Cognitive and Perceptual Remediation of Brain Damaged Adults - (Faculty) New York City University Medical School, Department of Rehabilitation Medicine, June 18 - 21, 1978.

Hemispheric Specialization, S. Stockmeyer, Ph.D., University of Tennessee Health Science Center at Memphis, September 16 -17, 1977.

Reitan Neuropsychological Battery, R. Reitan, Ph.D., Southwestern Medical Center at Dallas, March 2 -4, 1977.

*(See Addendum for additional information)*

**Honor Societies:**

Phi Kappa Phi - National Scholastic Honor Society  
Psi Chi - National Honor Society in Psychology  
Alpha Kappa Delta - National Honor Society in Sociology  
Alpha Mu Gamma - National Honor Society in Modern Language

**Professional Organizations:**

American Psychological Association  
Texas Psychological Association  
National Academy of Neuropsychology  
National Rehabilitation Association  
Vocational Evaluation and Work Adjustment Association  
Association of Educators and Rehabilitators (in Visual Impairment and Blindness)

**Awards and Honors:**

Honored Alumnus Award in Psychology from the University of North Texas. 1997

American Rehabilitation Counseling Association Research Award (2nd Place). 1990

**Qualifications:**

Licensed, Certified Psychologist, State of Texas; Certificate #2641.

Licensed, Specialist in School Psychology, State of Texas; Certificate #30353.

More than ten years teaching experience in the Rehabilitation Science Departments of the University of Texas Southwestern Medical Center at Dallas and at the University of Hawaii, Honolulu, Hawaii.

Extensive training and academic preparation in Neuropsychology including Luria-Nebraska and Halstead Reitan Systems.

Co-Developer and author of the McCarron-Dial Evaluation System for neuropsychologically disabled, reviewed nationally by the University of Wisconsin-Stout.

Developer and principle author of the Comprehensive Vocational Evaluation System for the Visually-Impaired or Blind.

Developer and principle author of the Perceptual-Motor Assessment for Children

Internships in Adolescent Medicine and Clinical Psychology at Children's Medical Center (one year pre-doctoral); in private practice (one year post-doctoral).

Extensive experience in neuropsychological evaluation of brain damaged/dysfunctional individuals (as well as other disabilities).

Instructor of course entitled, "Neuropsychological Applications of the McCarron-Dial System" - Department of Occupational Therapy, State University of New York, Buffalo, New York, August, 1985.

Instructor of special topics seminars in rehabilitation of the neuropsychologically disabled; neuroanatomy and pathology; and neuropsychological assessment. University of West Virginia, Morgantown, West Virginia, Summers of 1984, 1985, 1987, 1988, 1989, and 1990.

Co-Instructor of course entitled "Neuropsychological Aspects of Learning Disability" - Incarnate Word College, San Antonio, Texas, Summer, 1980, 1981, and 1982.

CO-Instructor of course entitled, "Rehabilitation of the Mentally Disabled" - Indiana State University, Terre Haute, Indiana, May, 1974; May, 1975; and May, 1977.

(See Addendum for additional information)

**Grants:**

Development of a preteen battery for children (ages 10 years through 13 years, 11 months) with visual disabilities. Trained and certified psychologists and their associates in Texas to administer, score and interpret evaluation results. Trained Department of Assistive & Rehabilitative Services - Division for Blind services staff psychologists and support staff on implementation and guidelines throughout the state. Division for Blind Services. American Recovery & Reinvestment Act of 2009. March 1, 2010 through September 30, 2011. Grant award in the amount of \$149,400.

Development of new interpretive software for use with the Comprehensive Vocational Evaluation System (CVES) for individuals with visual impairment/blindness -- "VPARS" -- Vocational Profile Analysis and Reporting System -- Division for Blind Services -- American Recovery & Reinvestment Act of 2009, March 1, 2010 through September 30, 2011. Grant award in the amount of \$297,700.

Development of a neuropsychologically-based job matching system for blind and visually-impaired --- Social Security Administration, October 1, 1988 through September 30, 1990 --- Research and demonstration grant award in the amount of \$370,000.

Neuropsychological Predicators of Independent Living Levels --- Regents Appropriation for Organized Research --- University of Texas Southwestern Medical Center, Dallas, Texas, September 1, 1979, funded in the amount of \$3,500.

Computerized Assessment Program for Prescribing Rehabilitation Strategies to Mentally Retarded Adults - -- Regents Appropriation for Organized Research --- University of Texas Southwestern Medical Center, Dallas, Texas, September 1, 1975, funded in the amount of \$4,000.

*(See Addendum for additional information).*

### **University Affiliations**

The University of North Texas (Denton, Texas) - Adjunct Professor of Psychology

The University of North Texas (Denton, Texas) - Advisory Board Member Health Psychology/Behavioral Medicine Doctoral Program

The Illinois Institute of Technology (Chicago, Illinois) - Adjunct Professor of Psychology

The University of West Virginia (Morgantown, West. Virginia) - Adjunct Professor of Psychology

### **Work Experience**

*September 1983 - Continuing*

Consulting Neuropsychologist in private practice and research consultant to McCarron-Dial System. My practice includes an extensive consultation to rehabilitation and education programs serving the brain-injured, learning disabled and developmentally disabled and visually-impaired or blind persons. I deliver numerous workshops and seminars on neuropsychological, vocational and educational assessment and programming for these populations. I also have a clinical practice in neuropsychology in Irving, Texas.

*October 1988 to October 1990*

Principal Investigator of research and demonstration grant at the University of Texas Southwestern Medical Center at Dallas.

*August 1984 - January 1985*

Visiting Lecturer at the University of Hawaii - Counselor Education/ Rehabilitation.

*December 1974 - September 1983*

University of Texas Southwestern Medical Center at Dallas  
School of Allied Health Services  
5323 Harry Hines Blvd.  
Dallas, Texas 75235  
(214) 688-2860

Assistant Professor, Department of Rehabilitation Science, School of Allied Health Sciences and the Graduate School of Biomedical Sciences, The University of Texas Southwestern Medical Center at Dallas. I taught courses in vocational evaluation, work adjustment, medical aspects of disability and rehabilitation research. I was actively involved in research of neuropsychological disabilities and chaired these

committees related to this area. I also participated in continuing education programs. December 1974-March 1977 (overlapped with above):

Dallas Rehabilitation Institute, Director of Research and Instructor for the School of Allied Health Sciences, University of Texas Southwestern Medical Center at Dallas. As Director of Research, I coordinated research activity within the Institute and supervised student research activities.

**Training and Consultation Delivered:**

I present training consultation and workshops related to the following areas on a continuing basis (approximately 8 - 12 per year) in all regions of the United States. Annual workshops include Vocational and Educational Planning for Individuals with Visual Impairments or Blindness Using the Comprehensive Vocational Evaluation System (CVES) and Vocational Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the CVES.

Development of Rehabilitation Strategies for Adults with Learning Disabilities or Acquired Brain Injuries: A Neuropsychological Perspective. Irving, Texas - April 24 – 26, 2002 .

Vocational Evaluation of Persons with Visual Impairment or Blindness: Advanced Interpretation of the CVES. Irving, Texas - March 20 - 22, 2002.

Vocational and Educational Planning for Individuals with Visual Impairments or Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - February 20 – 22, 2002.

Cognitive and Perceptual-Motor Assessment of Persons with Visual Impairments or Blindness: Vocational, Educational and Neuropsychological Applications of the CVES/MDS. Jackson Hole, Wyoming - January 21 – 23, 2002.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - November 14 – 16, 2001

Vocational and Prevocational Assessment of Adolescents and Adults with Developmental Disabilities and/or Acquired Brain Injury: Transition from School to Work. Irving, Texas - September 12 – 14, 2001

Vocational Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the CVES. Austin, Texas – July 11-13, 2001.

Vocational and Educational Planning for Individuals With Visual Impairment and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas – June 6-8, 2001.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas – March 26 - 28, 2001.

Vocational and Neuropsychological Evaluation of Visually-Impaired and Blind persons: Advanced Interpretation Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas – March 21 – 23, 2001.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - February 12 - 23, 2001.

Continuing Consultation with the Texas State Commission for the Blind on Vocational Assessment of the Blind/Visually Impaired - from 1982 through the present.

Vocational and Neuropsychological Evaluation of Visually Impaired and Blind Clients: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Jackson Hole, Wyoming - January 22 - 24, 2001.

Vocational and Educational Planning for Individuals with Visual Impairments or Blindness using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - November 15 - 17, 2000.

Vocational and Prevocational Assessment of Adolescents and Adults with Developmental Disabilities and/or Acquired Brain Injury: Transition from School to Work. Irving, Texas - September 13 - 15, 2000.

Vocational and Neuropsychological Evaluation of Visually-Impaired and Blind Persons: Advanced Interpretation using the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 12 - 14, 2000.

Development of Rehabilitation Strategies for Adults with Learning Disabilities or Acquired Brain Injuries: A Neuropsychological Perspective. Irving, Texas - April 26 - 28, 2000.

Vocational Evaluation of Visually-Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - March 22 - 24, 2000.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - February 23 - 25, 2000.

Vocational and Prevocational Assessment of Adolescents and Adults with Developmental Disabilities and/or Acquired Brain Injury: Transition from School to Work. Jackson Hole, Wyoming - January 17 - 19, 2000.

Vocational and Neuropsychological Evaluation of Visually-Impaired and Blind persons: Advanced Interpretation Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - December 6 - 8, 1999.

Vocational and Educational Planning for Individuals with Disabilities Using the McCarron-Dial System (MDS). Irving, Texas - October 18 - 20, 1999.

Neuropsychological and Educational Evaluation of Children with Learning Disabilities and/or Attention-Deficit Disorder. Irving, Texas - September 15 - 17, 1999.

Utilizing the McCarron-Dial System (MDS) in Vocational and Neuropsychological Evaluation of Individuals with Disabilities: Planning and Intervention Strategies in Rehabilitation. Hong Kong, China - August 17 - 19, 1999.

Vocational Evaluation of Visually-Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 21 - 23, 1999.

Vocational and Educational Planning for Individuals with Disabilities Using the McCarron-Dial System (MDS). Irving, Texas - May 19 - 21, 1999.

Vocational and Educational Planning for Individuals with Disabilities Using the McCarron-Dial System (MDS). Irving, Texas - May 10 - 12, 1999.

Development of Rehabilitation Strategies for Adults with Learning Disabilities or Traumatic Head Injuries: A Neuropsychological Perspective. Irving, Texas - March 31, April 1 and April 2, 1999.

Vocational and Neuropsychological Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - March 8 & 9, 1999.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - March 3 - 5, 1999.

Vocational and Educational Planning for Individuals with Disabilities Using the McCarron-Dial System (MDS). Irving, Texas -February 17 - 19, 1999.

Vocational and Neuropsychological Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). New Orleans, Louisiana - December 14 - 16, 1998.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness using the Comprehensive Vocational Evaluation System (CVES). New Orleans, Louisiana - December 7 - 9, 1998.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - October 21-23, 1998.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Vancouver, Canada - September 12-23, 1998.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - July 15-17, 1998.

Vocational and Neuropsychological Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 10-12, 1998.

Vocational Evaluation and Planning for Individuals with Visual Impairments or Blindness: Basic Administration, Scoring and Interpretation of the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - May 11 - 15, 1998.

Vocational Evaluation of Visually Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Hempstead, New York - April 27 & 28, 1998.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Hempstead, New York - April 22 - 24, 1998.

Vocational and Educational Planning for Individuals with Visual impairments and Blindness using the Comprehensive Vocational Evaluation System (CVES). Baltimore, Maryland - April 15 - 17, 1998.

Basic Applications of the Comprehensive Vocational Evaluation System (CVES) for Rehabilitation Planning: A Practicum in Assessment of Individuals with Visual Impairment or Blindness. Irving, Texas - February 23 - 27, 1998.

Vocational and Educational Evaluation and Planning for Individuals with Neuropsychological Impairments - Advanced Interpretation of the MDS and CVES. Jackson Hole, Wyoming - January 22 - 24, 1998.

Vocational and Educational Planning for individuals with Visual impairments and Blindness using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - October 15 - 17, 1997.

Vocational and Educational Evaluation and Planning for Individuals with Visual Impairments and Blindness using the Comprehensive Vocational Evaluation System (CVES). Toronto, Canada - September 10 - 12, 1997.

Basic Applications of the Comprehensive Vocational Evaluation System (CVES) for Rehabilitation Planning: A Practicum in Assessment of Individuals with Visual Impairment or Blindness. Irving, Texas - August 6-7, 1997.

Vocational Evaluation for Visually Impaired and Blind Persons: Advanced Interpretation of the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 16 - 18, 1997.

Vocational and Educational Planning for Individuals with Visual Impairments and Blindness Using the Comprehensive Vocational Evaluation System (CVES). Irving, Texas - April 23 - 25, 1997.

Neuropsychological Applications of the McCarron-Dial Systems (MDS) in Education and Rehabilitation. Jackson Hole, Wyoming - January 23-25, 1997.

Advanced Vocational and Neuropsychological Interpretation of the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 10-12, 1996.

Vocational and Educational Planning Using the Comprehensive Vocational Evaluation System (CVES). Tarrytown, New York - May 13-14, 1996.

Neuropsychological and Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). New Orleans, Louisiana - September 20-22, 1995.

Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). Dallas, TX - March 15-17, 1995.

Intensive Testing Lab and Case Study Seminar in Vocational, Neuropsychological and Education Applications of the MDS, CVES and P-MAC. Jackson Hole, Wyoming - January 18-20, 1995.

Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). - Dallas, Texas - November 16-18, 1994.

Neuropsychological and Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). Chicago, Illinois - October 19-21, 1994.

Advanced Vocational and Neuropsychological Interpretation of the Comprehensive Vocational Evaluation System (CVES). Austin, Texas - July 6-8, 1994.

Neuropsychological Assessment in Rehabilitation: Special applications of the McCarron-Dial System. Halstead-Reitan and Luria-Nebraska Batteries. Seattle, Washington - April 8-9, 1994.

Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). Dallas, Texas - March 16-18, 1994.

Vocational Evaluation of Visually Impaired and/or Blind Persons Using the Comprehensive Vocational Evaluation System (CVES). Kalispell, Montana - February 16-18, 1994.

Neuropsychological/Vocational Evaluation of Visually Impaired & Blind Persons using the CVES. Dallas, Texas - October 20-22, 1993.

Vocational Evaluation of Visually Impaired and Blind Persons using the CVES. Dallas, Texas - July 26-28, 1993.

Neuropsychological Applications of the McCarron-Dial System (MDS). Dallas, Texas - June 21-23, 1993.  
Advanced Vocational and Neuropsychological Interpretation of the CVES. Austin, Texas - May 17-19, 1993.

Neuropsychological and Vocational Applications of the MDS & CVES. Jackson Hole, Wyoming - January 20-23, 1993.

Neuropsychological Applications of the MDS and CVES in Rehabilitation of Traumatic Brain Injury. Chicago, Illinois - September 16-18, 1992.

Vocational Evaluation of Visually Impaired and/or Blind Persons using the CVES. Austin, Texas - July 27-29, 1992.

Neuropsychological Applications of the McCarron-Dial System (MDS). Dallas, Texas - June 22-24, 1992.

Neuropsychological Approaches to Evaluation and Programming in Education and Rehabilitation. Waterford, Michigan - May 18-22, 1992.

Neuroanatomy and Luria's Functional Systems Theory. Regional Continuing Education Program in Rehabilitation, Hot Springs, Arkansas - August 6 & 26, 1986.  
Neuropsychological and Vocational Applications of the McCarron-Dial System. Ysleta ISD, El Paso, Texas - April & June, 1986.

Neuropsychological Aspects of Head Injury. Iowa City, Iowa - February, 1986.

Vocational Evaluation Uses of the McCarron-Dial System. Goodwill Industries, Portland, Maine - January, 1986.

Neuropsychological Aspects of Head Injury. West Virginia University - June 6, 1986.

Basic Uses of the McCarron-Dial System in Vocational and Clinical Neuropsychological Evaluation. Casper, Wyoming - October 8 -12, 1984.

A Neuropsychological Model of Brain Structure and Function. State DVR, Bismarck, North Dakota - April 10 - 12, 1984.

Basic Uses of the MDS in Clinical Neuropsychology. Dallas, Texas - March 14-16, 1984.

Vocational Evaluation Using the McCarron-Dial System. Springfield Goodwill, Springfield, Illinois - November 8 - 10, 1983.

Neuropathology and Behavioral Correlates with Joel Kirkpatrick, MD Dallas, Texas - October 8 - 21, 1983.  
Program Development for Head Trauma. Consultation to San Antonio Easter Seals. San Antonio, Texas - October 7, 1983.

Vocational Evaluation Using the McCarron-Dial System. Developmental Disabilities. Casper, Wyoming - October 3 - 5, 1983.

Neuropsychological and Vocational Assessment Using the McCarron-Dial System. Pearsall, Texas - September 13 -16, 1983.

Neuropsychological Assessment Using the McCarron-Dial System. Rusk State Hospital, Rusk, Texas - August 2 - 5, 1983.

Vocational Evaluation Uses of the McCarron-Dial System. Beaumont ISD, Texas - June 13 -14, 1983.  
The Functional Systems Theory of A.R. Luria. Beaumont, Texas - June 13 - 14, 1983.

Vocational Evaluation Uses of the McCarron-Dial System. Waco, ISD. Waco, Texas - June 1 -3, 1983.

Neuroanatomy, Pathology and Behavioral Correlates. University of Wyoming Continuing Education. Thermopolis, Wyoming - May 4-6, 1983.

Neuropsychological Assessment Using the McCarron-Dial System. Dallas, Texas - March 23-25, 1983.

Vocational Evaluation Uses of the McCarron-Dial System. Goodwill Industries. Portland, Maine - February 2 - 4, 1983.
